G. R. ELLISON ENTERS RACE

ANNOUNCES CANDIDACY FOR SUPREME COURT JUDGE.

PROMINENT ATTORNEY

Comes From Family Noted For Distinguished Lawyers—Well Qualified For Office.

George R. Ellison, prominent Maryville lawyer, today authorized the announcement of his candidacy for the nomination for judge of the state supreme court on the Democratic ticket at the election next year. This is the first definite announcement that has been made by a Democrat for this place.

Mr. Ellison's friends declare he will be a strong contender for his party nomination. He has taken a prominent part in party politics in the state for the last dozen years, having been a member of the state committee for six out of the last ten years, and is at present a member of the executive committee of the state committee. This committee was named several months ago for the purpose of tightening up the party organization and raising funds to pay off the indebtedness that has been hanging over the party for several years. This committee has been actively at work and meetings have been held in practically every congressional district in the state. Mr. Ellison has attended all of these meetings and has had a prominent place in the party deliberations during that time.

Mr. Ellison was a delegate to the New York convention in 1924.

Is Outstanding Attorney.

Not only has Mr. Ellison qualified for party preferment by reason of his activity in the organization affairs of his party, but he presents outstanding ability as a lawyer that will prove a valuable vote-getting asset in the election next November. He is a graduate of Harvard University, spent one year as a student in the law school of the Missouri University, and has been in the active practice of his profession in Maryville and northwest Missouri for the last twenty years. He is a member of the law firm of Shinabargar, Blagg & Ellison.

From Distinguished Family.

Rich as has been his preparation in school and in actual practice, Mr. Ellison has a legal background that strongly recommends him to the consideration of the electorate of this state. Every male member of the Ellison family since before the Civil war has been a lawyer and several of them have given distinguished service on the bench in this state. His grandfather, James Ellison, sr., resided in Lewis County and for a time was judge of the old Fourth Circuit in northeast Missouri. The elder Judge Ellison also was a member of the state senate from his home district and was a curator of the Missouri University. Mr. Ellison's father, Judge Williac C. Ellison, was a circuit judge in northwest Missouri for fourteen years. Judge Andrew Ellison an uncle, resided at Kirksville and was circuit judge in the twenty-seventh circuit for eighteen years. Another uncle, Judge James Ellison, was judge of the Kansas City Court of Appeals from thetime of its establishment until 1920—something like thirty-six years.

Mr. Ellison has never held public office nor has he been a candidate for any office until now.

More Than Hundred at Community Meeting

Held At Unity School, Five Miles Northeast of Maryville Last Night C. of C. Furnishes Program.

More than one hundred persons attended a community meeting at the Unity School, five miles northeast of Hopkins, sponsored by the Farmers Union. A Chamber of Commerce program was presented. Miss Nellie Russell and Miss Nettie Russell played a piano duet. Miss Doris Wallace and Miss Nettie Russell gave readings.

D. A. Caldwell, secretary of the Maryville Chamber of Commerce, gave a vocal solo and played his own accompaniment on a mandolin. Mr. Caldwell also gave a short talk. F. C. Miller also gave a short talk.

Under the direction of Miss Beulah Russell, the teacher, two dialogues were given. Refreshments were served.

DAD AND SON MUST BE PALS

BANQUET SPEAKERS APPEAL FOR COMRADESHIP.

BOY NEEDS SYMPATHY

Father Should Give Encouragement Whenever Possible, According to Addresses At High School.

"The youth of today should be expected to advance further than the youth of my time," said L. M. Eek, last night at the first annual Father and Son Banquet at the Maryville High School, given by the Hi-Y Club. "Boys should know the value of ingenuity, to put the hand and the brain to work in combination."

"The modern father takes this viewpoint," Mr. Eek said, "he sends his boy to school and then washes his hands in the whole matter. A father owes it to his boy to show an interest in the school work that the boy does. From a moral standpoint the father sends the boy to Sunday school and that is the end of his interest as a general rule."

Mr. Eek very strongly emphasized community service by the youth of the country.

"A boy should get a good viewpoint of the surrounding country, then read and study the conditions of the community in which he lives. The boy who plans only to leave his home community and his loved-ones is a 'drag.' There is no higher service than that to be found in the home community. Dad and son should be tied together as real chums and climb the mountain of life together."

Dr. Fred Keller of the State Teachers College said, in recalling his boyhood days, "Boyhood is the happiest time of life. It is natural for boys to have a good time and a dad enjoys the good times of his son as long as that good time is properly used."

"The human race is like a shark," declared Dr. Keller, "they go over things by experience, they have to learn by experience, and to profit by mistakes. Boys and fathers should not have to wait upon experience to profit by shortcomings. They should profit by the shortcomings of others that they have not succeeded, without sacrificing their own lives to hopeless failure.

School Life Serious.

"A father should take the school life of a boy as a serious matter," he said. "From personal knowledge I know where, men today, were in boyhood deprived of an education because their fathers saw no adequate need for an education when there was work to be done on the farm.

"Father and son are of the same flesh and blood, so why not be real pals, why not understand each other? Each must have a mutual feeling of respect," Dr. Keller concluded.

E. W. Glenn, of the College stressed the love that should exist between

PEACE PACTS' FATE BRIGHT

GERMANY'S APPROVAL IS VIRTUALLY ASSURED.

WOULD ENTER LEAGUE

Berlin Cabinet Backs Bill—But Little Opposition By Commons Which Adopts Measures.

Berlin, Nov. 19.—The German cabinet tonight definitely decided to sign the Locarno securities pacts in London on December 1, subject to ratification by the Reichstag.

Berlin, Nov. 19.—Germany's signature to the Locarno pacts has been virtually assured, it was learned this afternoon, following a meeting between the cabinet and federal premiers.

The cabinet has decided to draft a bill, which will be presented to the Reichstag and authorizes the government to sign the Locarno pacts on December 1.

The bill will also authorize the government to take preparations for Germany's entrance into the League of Nations.

It is understood the government has the assurance of the Reichstag's approval.

London, Nov. 19.—With the Locarno pact ratified by Commons last night, with only thirteen votes registered against ratification, the British government is today proceeding with its plan for formal signing of the pacts here on December 1.

Little doubt is held here but what Germany, despite her internal dissention, will ratify the treaties.

The House of Commons indicated its disposition to welcome any effort to assure peace in Europe.

President and Wife Arrive in New York

Crowds Bowls Over Several Photographers In Anxiety To See Chief Executive.

New York, Nov. 19.—President and Mrs. Coolidge arrived here at 2 o'clock this afternoon. Huge crowds gathered to meet the President and were so anxious to see him that they bowled over several photographers who were taking flashlight pictures of him as he left the Pennsylvania station.

The President and his party motored directly to the Waldorf Hotel. Mrs. Coolidge will spend the afternoon shopping while the President will meet friends.

President Coolidge has received reassuring advises concerning the health of his father and does not believe it will be necessary for him to go to Plymouth.

Harvey L. Haines, Frank P. Reuillard and E. W. Keck went to St. Joseph today to attend the fall ceremonial of the Mystic Shrine.

863 DEFECTS ARE REPORTED

FIRE PREVENTION MEN MAKE MANY CRITICISMS.

COURTHOUSE VERY BAD

Defective Wiring, Rubbish, Cobwebs And Broken Plastering Most Frequent Complaint.

Maryville's courthouse is in a "deplorable" condition as regards fire hazards, other public buildings are nearly as bad, especially one church, and the business district is below standard, according to the tabulated records of the twenty-five or more state and special agents of fire insurance companies, who made a thorough inspection of the city yesterday.

Not all the inspectors' reports were entirely gloomy. The St. Francis Hospital won praise for cleanliness and the public schools were declared to be well kept. The visitors complimented local citizens also on their apparent willingness to cooperate for the prevention of fire.

Many Criticisms Made.

A total of 146 "risks" were inspected and criticism was made of 136 of them, and a total of 863 defects reported. The percentage of criticism and the average number of defects per building were considerably above the results of inspections in other towns. The visitors admitted, however, that actual fire losses in Maryville had not been unduly heavy.

Churches and public buildings drew most criticism. Nine churches were inspected and all of them were criticised with a total of 102 defective conditions reported. Three of the conditions declared to be fire hazards involved ashes, two chimneys, five closets, three soft coal, four cobwebs, six lack of exits, seven lack of fire extinguishers, one unsafe furnace, one storage of paints and oils, ten broken plaster, fourteen rubbish, eleven defective stove pipes and stoves, eleven electric wiring and twenty-four miscellaneous.

152 Public Building Defects.

The inspectors visited nine public buildings including the courthouse, jail, two hotels, two theatres, the hospital, fire department and library. Criticisms were made of each of them, and 152 defects reported, as follows: Ashes 1, chimneys 2, improper storage and use of soft coal 6, cobwebs 2; exits 2, extinguishers 17, alarms and escapes 10, poor housekeeping 3, oil mops 1, paints and oils 1, broken plastering 7, rubbish 10, stove pipes and stoves 2, defective electric wiring 10, miscellaneous 78.

Eight public school buildings were visited and twenty-eight defects reported, including 1 chimney, 2 lack of exits and drills, 6 lack of extinguishers, 4 unsafe furnaces, 1 poor housekeeping, 4 broken plastering, 1 rubbish, 4 stove pipes and stoves, 4 wiring defects and 1 miscellaneous.

At the State Teachers College five buildings were visited and 72 defects reported, as follows: exits and drills 4, extinguishers 10, alarms and escapes 13, gas plates and tubing 3, broken plastering 1, rubbish 4, electrical wiring 16, miscellaneous 21.

Wiring Criticised Frequently.

In the mercantile district, defective electrical wiring drew the most criticism with 104 cases. Rubbish came next with 68, cobwebs third with 33 and plastering fourth with 30. Miscellaneous criticisms numbered 122.

The inspectors pointed out that cobwebs are dangerous not because they start fires but because they spread them so rapidly, burning in a flash and carrying the flames to other sections of a building before the firemen can arrive.

Because of lack of workers, one entire block was omitted from the inspection. It was the block between Second and Third and Main and Buchanan streets.

W. R. Medsker Sells Hogs at Market Top

W. R. Medsker, Nodaway County stockman, marketed a load of light butcher hogs at St. Joseph yesterday at the day's top of $11.50. The Stock Yards Daily Journal refers to Mr. Medsker as the man, "who always makes 'em good." His offerings were Durocs.

S. M. Barnes, also of this county, sold a load of 1,025 steers at $9.25.

Other Nodaway Countians registered at the Transit House were J. F. Flanary of Ravenwood and J. F. Cook of Maryville.

PAYS TRIBUTE TO WORK HERE

NODAWAY COUNTY RANKS HIGH IN HEALTH.

STATE FAR IN LEAD

Speakers Stress Value Of Work At Banquet Held At Country Club Here Last Night.

Dr. James Stewart, state health commissioner, paid tribute to the work of Nodaway County along health lines at a banquet of the Nodaway County Tuberculosis Association last night at the Maryville Country Club.

"If all the counties of the state were as progressive along lines of health as is Nodaway, much would be done toward the lowering of the mortality from tuberculosis," he said.

"No county health department in the state is functioning better than the Nodaway," he continued. "Things are happening in this county, which are fully known to the health dpartment, yet which are kept from the county. I refer to certain diseases, which formerly caused people to become panicy. Now they are handled expediently and with dispatch. That's efficiency. Other county health departments could do well by copying from Nodaway."

Then Dr. Stewart mentioned the State Teachers College." "No school in the state is doing more toward health education," he said. "You may be justly proud of your institution."

Dr. Stewart advocated strict quarantine for all cases of tuberculosis. "To those who have the disease or who have loved ones suffering from it, this may seem harsh," he said, "but no other disease in the land is so easily transmitted. Until we put each case under strict regulations, we cannot hope to check the disease."

Dr. Stewart closed his address with a mention of the work Missouri is doing for the prevention of blindness. "No other state in the union is doing so much as Missouri. Every county in the state with the exception of worth is making use of the public health department laboratories."

Following the main address, Miss Myrtle Grisham, field representative of the Missouri Tuberculosis Association, outlined working plans of the organization. She advocated prevention of the disease as the best cure.

Leslie G. Somerville, county superintendent of schools stressed the point that the policy in Nodaway County schools would be to educate the pupils all the year round along health lines.

This thought was echoed by L. E. Ziegler, superintendent of schools of Maryville, in a later speech when he said, "We are going to keep at it everlastingly. Not much can be accomplished by stressing the point only at Christmas time. The program for the Maryville schools is to teach health the year round."

"The best way to promote a worthy cause is by education. The pen is mightier than the sword, and the voice is mightier than the pen," was the comment of the Rev. R. E. Musgrave, who advocated the teaching of health methods from church pulpits.

The Rev. Father Richard urged that the Christmas seal campaign start at the same time in all schools.

Dr. H. S. Maxwell and Dr. E. A. Miller, both of Hopkins, represented the medical and dental professions and urged care to prevent tuberculosis.

Mrs. W. W. Stanfield said that the federated clubs would co-operate in the sale of Christmas seals and would stand behind the Nodaway County campaign 100 per cent.

Harry B. Rutledge, school superintendent at Burlington Junction, said that school teachers represent the largest number of people interested, and that they should do all in their power to further the project.

John Rush, Barnard Editor said, "What can't the press do? We speak to the largest audience in the world."

Thomas Tallon, representing the farm clubs, said that the farmer must be educated to the purpose of the drive, and that he will help.

Ernest Wray told how the Farm Bureau is working toward the the eradication of tuberculosis among live stock.

Uel W. Lamkin spoke of the number of children of Northwest Missouri reached by teachers. He said that the College could best help by furnishing information to the teachers.

Mrs. Roland Wray outlined the purpose of the parent-teacher associations and said that the local one stands ready to serve.

"The Chamber of Commerce is a service organization," Dr. Jesse Miller said. "Use our office, use our stenographer, and if you can't put your campaign across, come and use us."

Fifty-six persons attended the banquet last night. Music was furnished by Miss Helen Dvorak, T. H. Annett, and Ralph Yehle.

Druses Are Menacing Tyre And Sidon, Advancing On Three Sides—Villages Are Evacuated.

Beirut, Nov. 19.—French forces have been sent against the rebel Druses who are menacing Tyre and Sidon, advancing on three sides. Villages in the vicinity have been evacuated and Arabs are reported looting them.

Ten thousand additional French troops, equipped with armed cars, tanks and airplanes, are expected to disembark before Sunday.

MITCHELL TO OWN DEFENSE

FLYING COLONEL WILL TAKE STAND AT COURT MARTIAL.

FLYERS TO SUPPORT HIM

Noted Aviators Uphold Many of His Criticisms of Administration of Aviation In United States.

Washington, Nov. 19.—Col. William Mitchell, storm center of American aviation, will take the witness stand in his own defense before his court's jury of generals, it was announced today.

Mitchell probably will take the stand tomorrow.

The defense expects to finish its presentation of testimony either today or tomorrow with the exception of the testimony by Colonel Mitchell, according to Representative Frank Reid of Illinois, head of the defense counsel.

"We will have to get action, however, from the prosecution on the list of stipulations, which we requested some time ago."

The stipulations referred to what would be the testimony of several army officers now stationed in Hawaii. Reid declared the stipulations would have to be produced or the witnesses called in person.

Reed M. Chambers of Detroit, an American "ace," was the first witness at the hearing today. He testified the allied aviators in the World War held anti-aircraft fire in "absolute contempt." Chambers declared he saw only one American plane shot down by anti-aircraft fire.

"That plane was shot down by our own fire, too," he said.

Lieut. Leigh Wade, around-the-world flyer, with three hundred hours in the air to his credit, charged the navy department placed an undue hazard upon the lives of the navy air men who made the recent flight. He said the navy ignored all the lessons learned by the army aviators on their around-the-world flight.

Ravenwood Man Dies at Home of Mother

Tuberculosis Fatal to J. C. Flynn at 9:30 o'Clock Today.—Funeral Arrangements Incomplete.

J. C. Flynn of Ravenwood, 35 years old, died about 9:30 o'clock this morning at the home of his mother, Mrs. Mary Flynn, in Ravenwood. Death was due to tuberculosis, which developed after an illness of influenza several years ago. Funeral arrangements have not been completed.

Mr. Flynn was born and reared in Ravenwood. Besides his mother, he is survived by a son, Franklin J., sister, Miss Elizabeth Flynn, Ravenwood, and one brother, David Flynn, St. Joseph. Until his health failed he was a traveling salesman. His wife died several years ago.

Paris, Nov. 19.—Within a few months, France will resume debt negotiations with the United States, which will result in a settlement, said Senator Beranger today, addresing the American Club.

Senator Beranger has been designated to start the negotiations, it is understood.

HIGHWAY PLAN IS APPROVED

MARYVILLE LOCATED ON NORTH AND SOUTH ROUTE.

IS NATIONAL SYSTEM

Federal Roads Fixed by Action of Secretary Jardine Who Formally Sanctions Vast Undertaking.

Washington, Nov 19.—A national system of highways comprising 75,884 miles of the country's best roads, was designated by Secretary of Agriculture Jardine today.

The total mileage of the system is but a fraction of the 2,866,000 miles of roads of all kinds in the United States, but the selection of the best lays the foundation for welding others into the national system later.

The co-ordination of the routes is in response to a nation-wide demand from motorists whose increasing number have found difficulty in touring the country over roads marked in a chaotic fashion.

A system of roads, known as United States Highways, which has been selected by the Joint Board on Interstate Highways completing the work of twenty-four state and federal highway officials, has been approved by Secretary of Agriculture Jardine, it was announced today. The report designates 75,884 miles of road, each route of which has been given a number, including designs for standard directions and warning signs to be erected on all routes, was recently submitted to the secretary.

The work, which has been completed at the request of the Association of State highway officials, undertakes the selection and designation of a comprehensive system of through routes. It includes 145 routes, those running east and west, designated by even numbers and those north and south by odd numbers.

All of these routes will be marked with standard direction and warning signs which are of two classes. One group, the danger and caution signs, will consist of signs of four different shapes representing as many degrees of danger. These will have a yellow background with black letters and symbols. The other group will include the standard route markers in the form of a United States shield and directional and information signs. All signs in this group will have a white background with black letters. The use of the United States shield as a route marker is to be restricted to the United States highways and no other type of route designations is to be permitted on such roads.

By this decision, Maryville is definitely located on a north and south trans-continental highway from International Falls, Minn. to Baton Rouge, La. This highway is routed through Granite Falls, Worthington, Spencer, Ia., Maryville, St. Joseph, Kansas City, Nevada, Joplin, Ventonville, Ark., Fayetteville, Ft. Smith, DeQueen, Texarkana, Shreveport and Baton Rouge.

This north and south highway, known as Route No. 71, will be one of the most important in the continental highway system. All of the roads will be paved and well marked.

Memorial Services for British Sub Victims

Conducted Off Start Point Near Spot Where Undersea Boat Is Believed To Have Gone Down.

Plymouth, England, Nov. 19.—Memorial services for the sixty-eight men who lost their lives when the British submarine M-1 went down were held today off Start Point, near the spot where the submarine was last seen.

The exercises were held on H. M. S. Maidstone, which put out to sea bearing naval officers and relatives and friends of the members of the lost crew.

The burial service was read and flowers were strewn over the spot where the submarine is believed to be buried in the waters of the English Channel.

father and son, the exchange of ideas and the consideration of each.

Should Encourage Son.

"I like to think of the father," said Mr. Glenn, "as using all his power to encourage his son, to lift him out of the ruts of life, when the shots of life come; I like to think of the son as standing behind his father and show his love when that love is needed."

L. L. St. Clair, sponsor of the organization, gave an account of the origin of activity period of the local high school, referring to the Hi-Y Club as a worthwhile organization and one to be trusted to carry on work without his precence in the meeting room.

Harold Lee Yates, toastmaster, gave a history of the Hi-Y Club, touching upon its creation and the fact that the local Hi-Y Club was the result of an Older Boys Conference inspiration.

The president of the Hi-Y Club, Lawrence Wray, in his address of welcome stated the purpose of such an organization and the good to be derived from a gathering of that kind.

Musical Number Given.

Music was furnished by an orchestra under the direction of H. O. Hickernell, and the devotion of the evening was in charge of the Rev. R. A. Mitchell of the Methodist Church, South.

The success of the banquet is largely attributed to the work of the home economic department of the Maryville High School of which Miss Mabel Cook and Miss Elizabeth Leet are in charge.

Donald Goforth was a delegate to the Hi-Y conference in Jefferson city in 1924. He was also a delegate to the camp at Lake Geneva last summer, being the only one from this part of the state.

GRAHAMS

Dept. Store - "All Sorts of Things"

An Event You Have Been Waiting For

The New York representative of our ready-to-wear department will be in Maryville starting Saturday with two immense wardrobe trunks filled to overflowing with all the new winter styles in ready-to-wear.

DRESSES

—in a varied assortment of street, afternoon and evening styles, in wonderful crepes, cut velvets and cheniles, in all new shades. The evening dresses are of such styles and colors that one need not hesitate in buying for fear that what few times they would be worn that they might be out of style long before they are worn out, as they are the styles that are always good for evening wear. The afternoon dresses are practical, yet beautiful in every respect, and of styles you are sure to be more than satisfied with every time you wear them.

COATS

—that are different, yet, have a style appeal and wearing quality that will please the most exacting. You will be able to find something that is entirely different than anything shown in cities of this size—coats that we would not try to stock, owing to our limited space, and the money that would be invested in so large a stock. Even if you have bought your winter coat, we extend this invitation to you to come in and see this line, as we feel that you will be more than repaid for the time you spend.

Observe Wedding Anniversary

Mr. and Mrs. Karl Zimmerman entertained with a 12 o'clock dinner yesterday at their home, three miles west of Maryville, in observance of their eleventh wedding anniversary. The day was spent in quilting. Those entertained were Mrs. J. L. Scott, Mrs. T. M. C. Neff, Mrs. J. L. Tebow, Mrs. Loren Hackett of Pickering, Mrs. Paul Sawyers of St. Joseph, Mrs. R. J. Sawyers, Mrs. J. K. Sawyers, Mrs. W. B. Scott, Mrs. Emmett Scott, Mrs. Lawrence Gault, Mrs. George Neff and little daughter, Betty Jean, Mrs. Jennie Snider and Miss Elizabeth Sawyers.

W. R. C. Inspector To Come.

The Women's Relief Corps will meet at 1:30 o'clock Saturday afternoon in the V. F. W. Post rooms. The inspector will arrive on the Burlington train and go directly to the Hall where lunch will be served at 12 o'clock. All members are requested to be present and furnish something for lunch. The Corps meeting will open promptly at 1:30 o'clock, as the inspector will leave on the afternoon train. Mrs. M. E. Farrar, delegate to the annual convention of the district organization at St. Joseph last Saturday, will give her report.

T. E. L. Class.

The T. E. L. Class of the Baptist Church will hold a business meeting tomorrow afternoon at the home of Mrs. L. R. Strong, 411 N. Mulberry street. The meeting will open at 3 o'clock.

Mother's Club.

The Mother's Club of the M. E. Church, South, met in the social service rooms yesterday afternoon with Mrs. Joe Cornell as hostess. The meeting opened with devotions and the usual business. Needlework and current events were the diversions for the afternoon after which a social time was enjoyed. Refreshments were served by the hostess. Mrs. Ed Albright was a guest, and the following members were present: Mrs. I. E. Tulloch, Mrs. Charles Dempsey, Mrs. Alva Maul, Mrs. Charles Vance, Mrs. Earl Henderson, Mrs. T. H. Leet, and daughter, Barbara, Mrs. Wilson Nicholas, Mrs. Lee Peter, Mrs. Joe Cornell, Mrs. George Ray and children, Mrs. Ben Malam and children, Mrs. Frank Hooper and son, Dale, and Mrs. Charles Forsyth and children.

Mrs. Fox Entertains.

Mrs. Will Fox of Wilcox entertained a group of women at her home last night. The evening was spent in tacking two comforts. The guests were joined by their husbands after lodge and the hostess, assisted by Mrs. Clark Lambert, served a chicken pie supper. The rest of the evening was spent in music and games. The following were entertained: Mrs. B. K. Ferguson, Mrs. Marion Fine, Mrs. Willard Hill, Mrs. Clark Lambert, Mrs. Jim Huckleberry, Mrs. Clarence Haggerty, Mrs. Clint Adams, Mrs. Glenn Guthrie, Mrs. Harold Thompson, Mrs. Chester Ferguson, Mrs. Elihu Shell, Miss Jennie Duncan, Frances and Rebecca Shell, and Mr. and Mrs. Charles Shackleford.

Personals

Mrs. George Cole, Mrs. Roy Dane and Mrs. Elba Hagan of Barnard attended the bazaar at the First Methodist Church today.

Mr. and Mrs. Ray Good and daughter and Mrs. Thad Danford of Ravenwood were Maryville visitors yesterday.

Mr. and Mrs. Henry Sheiman of Parnell spent yesterday in Maryville.

Ellis Lytle of Parnell spent today in Maryville.

Pastime Stables Win.

The Pastime Stables of Maryville won fourth place in the road horse contest at the American Royal show last night with Allerzo and Franco, driven by James Tapp.

Around Our Town

This little girl mixed her political drinks. Today W. F. Chaves was talking to a little girl, to whom he had just sold a red-devil doll. He said to her, "Are you a Republican?"

"Naw, I'm a devil-crat."

Little Marjorie Cornutt, daughter of Mr. and Mrs. M. M. Curnutt, calls 10-cent stores "cent stores." The other day she asked her mother, "Will they have any stores in Heaven, Mother?"

"No," was the reply.

"But what will they do without cent stores?"

One little Maryville boy believes that the thermometers on incubators are to take the little chicken's temperature.

Some time ago Frances Phares was visiting at a home where someone was sleeping and snoring. She watched this person intently for a while, and was interrupted by the question, "Does anybody snore at your house, Frances?"

"Oh yes, my daddy honks all night."

Kuchs Brothers couldn't sell a diamond, couldn't bank their currency, couldn't even make change before noon today. The reason was that Paul Kuchs was in the hospital and John Cecil Wilson had forgotten the combination to the safe. It took him from 8 o'clock until almost noon to work it out.

Home Inspection Prize Winners Announced

Miss Mildred Sandison And Callistia Miller Given First Awards In High And Grade Schools.

Miss Mildred Sandison, a sophomore in the Maryville High School, won the first prize in the home inspection contest under the auspices of the Maryville Chamber of Commerce, D. A. Caldwell, secretary, announced this morning.

The contest was held in connection with Fire Prevention Day, officially observed in Maryville yesterday when a number of representatives of the Missouri Fire Prevention Association were here and conducted inspection throughout the business district.

The students filled out blanks regarding conditions in their own homes and what was being done to safeguard them against fire. The student entries were judged by the visitors here yesterday.

Miss Sandison, who won the first prize in the high school division, lives at 309 West First street.

Miss Eva Margaret Frank, a senior in the Maryville High School, won the second prize in this division.

Callistia Miller, 909 East Second street, a student in the 7A grade of the Washington school, won the first prize in this division. Norma Short, 1012 East Fifth street, a student in the 6A grade at the Washington school won the second prize.

More than three hundred persons saw the fire prevention picture at the Empire Theater yesterday afternoon.

A Fight on Alcohol Permit Abolition

Treasury Stands Between Two Fires as Strife Over Licenses Seems Imminent.

Washington, Nov. 19.—Caught between two fires, Governor Gifford Pinchot of Pennsylvania on one side and the manufacturers and consumers of industrial alcohol on the other, the treasury prepared today for fights against drastic regulations aimed at curbing diversion of liquor into bootlegging channels.

Alcohol magnates are planning to confer with General Andrews, prohibition czar, to demand modification of the new regulations which abolishes all manufacturing permit certificates after December 31 and provides for an annual licensing system.

Many Firms Aid in Buy-It in Maryville Booth

Ninety Business Concerns Represented in Novelty at Bazaar at First M. E. Church.

Ninety Maryville business concerns contributed to the "Buy it in Maryville" booth today at the First Methodist Church bazaar.

"Buy it in Maryville; Maryville has it," is the slogan of the booth, and the variety of articles on display in the booth seem to bear witness to the truth of the motto.

Each article is labeled with the donor's name, and those in charge of the booth have been taking orders today for duplicates of the merchandise on display.

The committee in charge of the booth is made up of: Mrs. Ed Curfman, Mrs. T. R. Stewart, Mrs. Florence Westfall, Mrs. Ira Kelley and Miss Ruth Foster.

The idea of a "buy-it-in-Maryville" booth is a novel one, and calls to mind a similar advertising scheme which the young women of the First Methodist Church carried out about thirty-five years ago. The young women dressed in costumes to represent the different business firms of Maryville.

One of the particularly novel costumes represented the Maryville Republican, and was worn by Miss Neva Poley, now Mrs. Dan Flinn of Dawson, Ga. It was a dress made of paper, with a pleated skirt.

Most of the merchants and young women who took part in this scheme have left Maryville. The old Union Hall was used for the occasion.

The following Maryville concerns are represented in the booth today:

C. D. Allen, Arnold-Strong Motor Company, Burton Grocery, Buhler Meat Market, Barmann Auto Company, Tony Bluel Meat Market, Blatter Meat Market, Orville Bennett, Crow Studio, Candyland, Candy Kitchen, Corwin-Murrin Clothing Co., F. L. Curfman, Cummins-Wray Furniture Co., Case Furniture Co., Dryer Cleaning Co., D. R. Eversole Dry Goods Co., H. L. Foster & Sons, Electric Theatre.

Mrs. B. R. Embree, Farmers Trust Company, First National Bank, Fullerton Lumber Co., Gaugh & Evans, Graham Merc. Co., Graham Millinery Co., H. L. Haines, M. A. Hahn, Holt Supply Co., C. M. Hartness, Virgill Hartness, Harry Hartness, Independent Oil Co., D. E. Hotchkin, Jackson Ice Cream Co.

Pearl Keiflin Millinery, Kuchs Brothers, Kissinger Greenhouses, Lanning Tire Co., Eldon Lloyd, Maryville Electric Lt. & Power Co., Maryville Steam Laundry, Maryville Granite Co., Maryville Drug Co., Montgomery Shoe Co., Montgomery Clothing Co., Nodaway Valley Bank, Nodaway Ice Cream Co., J. W. Parry Produce, J. C. Penney Co., Price Furniture Co., Price & Null Grocery.

Raines & Chaves, Real Estate Bank, Reavis Shoe Co., T. F. Reimer Meat Market, Remus Mercantile Co., Reuillard's Wholesale Bakery, W. L. Rhodes Music Shop, Richards & Son Hardware, Roach Cafe, Schumacher-Rowley Grocery Co., Sewell Auto Co., Smith & Braniger Seed House, South Side Bakery.

Strader & Clapper Singer Sewing Machine Co., Superior Cleaning Co., Shackelford Drug Co., Thompson Bakery & Grocery, E. L. Townsend Grocery, Maryville Tribune Publishing Co., Tolles Clothing Co., H. C. Todd, Wadley Brothers, F. W. Woolworth & Co.

Howard Wray Hardware Co., Worthington Cafe, John Whitehead, G. H. Westfall Store, Yehle Dry Goods Co., Bee Hive Shoe Store, Cushman Music House, Kramer Tire Co., F. R. Marcell, Farmers Auto Supply Co., Ellis Meek, Democrat-Forum, Koch Pharmacy, Mrs. Ed. Godsey, Junior Curnutt.

H. L. Raines returned last night from Kansas City where he went Monday to attend a meeting of the State Board of Optometry and a meeting of the directors of the Missouri Optometric Association.

DIVORCE RATE HERE IS LOW

11 OUT OF EVER 12 MARRIAGES RESULT HAPPILY.

ONLY 3 TO 1 IN STATE

In Jasper County Only a Third Stay Married.—Cities Generally Have Higher Rate.

Couples married in Nodaway County have eleven chances to one for a happy married life, according to statistics on marriage and divorce compiled by the national Department of Commerce. In the state at large, the chances are only three to one that marital bliss will continue.

The Department of Commerce announces that, according to returns received for the calendar year 1924 in Missouri, there were 39,752 marriages performed and 9,114 divorces granted. In other words, one out of every four marriages in the state failed to be lasting.

In Nodaway County there were 211 marriages and only 17 divorces, or one case for the courts to every twelve for the ministers.

St. Charles Banner County.

The banner county in the state for Dan Cupid is St. Charles, where there were 950 marriages last year and only 22 divorces. The county's location, however, casts some discredit on these figures. It is so close to St. Louis that many runaway couples come there to get married, then return to the city and later get divorces there.

Percentage Increases.

The percentage of divorces to marriages increased slightly in 1924 as compared to 1923. For the calendar year 1923, there were 41,807 marriages in the state and 9,115 divorces. The decrease in marriages reported for 1924, from the number reported in 1923, is 2,055 or 4.9 per cent. The divorces reported for 1924 show a decrease of 11, or one-tenth of one per cent over the number reported for 1923.

The statistics of marriages for 1924 were furnished by the recorder of deeds and those of divorces for the same year by the clerk of the circuit court of each county. The figures are preliminary and subject to correction.

Ste Genevieve is another county with an exceptionally good record. Here there were 85 marriages and only 2 divorces. As proof that it was not an unusual year, the record for the preceding year shows 84 marriages and, again, only 2 divorces.

Andrew County led Northwest Missouri with 281 marriages in 1924 and only 9 divorces. In 1923 this county had 326 marriages and only 6 divorces. Worth county had 61 marriages and only 2 couples called it quits.

It was in the cities that the divorce rate ran highest. The larger centers, however, gave way to Jasper County, in which Joplin is located. Here two-thirds of the marriages were but temporary affairs. In 1924 there were 635 marriages and 401 severances of the marital ties. Furthermore the condition apparently was not abnormal, as the record for 1923 was 745 marriages and 455 divorces.

Two to One in Jackson.

The chances are only as two to one for a happy marriage in Jackson County, which includes Kansas City. Based on the figures for 1924, 6,177 couples are married there in a year, 3,855 stay married and 2,322 get divorces.

The City of St. Louis in 1924 had 8,785 marriages and 2,698 divorces. Pettis County, including Sedalia, had 388 marriages and 103 divorces.

Buchanan County, with St. Joseph, had 1,227 marriages to 437 divorces. Here the chances for happiness are a little less than two to one.

Some of the rural counties, too, have many mis-matings, the figures show. Boone County, which includes Columbia, seat of the State University and two girls' colleges, in 1924 had 171 marriages and 51, or nearly a third as many, divorces.

Howard County had 69 marriages and 23 divorces. Dunklin County, in the extreme southeast part of the state, had 434 marriages and 101 divorces.

Gates Swine Continue to Win.

J. D. Gates and Son of Ravenwood continued their winnings on Spotted Poland-China swine yesterday by winning first in the best aged herd, second in the best young herd, second and fourth in best produce of sow, and second and fourth in best get of boar.

Elect New Officers.

Mrs. Stewart Robinson was elected president of the Mowry W. W. W. Club at the semi-annual election of officers yesterday afternoon at the home of Mrs. Will Berkey. Other new officers are: Vice-president, Mrs. Charles Hinton; secretary, Mrs. Harold Hinton; corresponding secretary, Mrs. Will Berkey; treasurer, Mrs. Lester Hood; and pianist, Mrs. James Clayton. Roll call was responded to with Thanksgiving quotations. Mrs. Vinsant and Lola Hinton were guests, and the members present were Mrs. Lester Hood, Mrs. Orlen Kelley, Mrs. Charles Hinton, Mrs. Walter Runnels, Mrs. Robert Rice, Mrs. Will Berkey, Mrs. Dennie McGinness, Mrs. Shan McGuire, Mrs. Frank Howard, Mrs. Nancy Neal, Mrs. Stewart Robinson, Mrs. Irvin Loch, Mrs. James Clayton, Mrs. Champ Rice, Mrs. Denver McGinness, Mrs. Will Hewitt, Mrs. Frank Hinton, Mrs. John Stevens and Mrs. Harold Hinton. Mrs. James Clayton will be hostess at a business meeting on December 2. The attendance contest came to a close at yesterday's meeting and group number two, the winning side, will be entertained at a later date by group number one.

Compliment Mrs. Cummins.

Mrs. Frank Cummins, who is leaving for a residence elsewhere, was the complimented guest at a 1 o'clock luncheon given yesterday afternoon by members of the Thursday Bridge Club at the home of Mrs. Arthur A. Brewer on South Main street. The dining table was centered with sweetpeas and the place cards contained sketches of old-fashioned girls. Covers were laid for Mrs. Cummins, Mrs. Sherman Montgomery, Mrs. Ralph Berger, Mrs. Eldon Irvin, Mrs. W. F. Phares, Mrs. Earl Barmann, Mrs. June Blagg, Mrs. Don Martin and Mrs. Brewer. Following the luncheon the members played bridge. Mrs. Cummins was presented with a Japanese brass bowl on a teakwood base.

Tea at College.

Miss Ruth Jean Souter, supervisor, and Misses Bertha Carr, Chloe Millikan and Frances Holliday, critic teachers, entertained with a tea yesterday afternoon in the recreation room of the College. Their guests included all practice teachers and the teachers of the Garfield and Jefferson schools. Yellow chrysanthemums were used in decorating. Miss Dora B. Smith and Dean Barnard were additional guests.

St. Louis Belongs to Dwight Davis Today

St. Louis, Nov. 19.—Secretary Dwight F. Davis was given the keys to his home town here today. Following a military and civil parade through the downtown section of St. Louis, Mayor Victor Miller greeted Colonel Davis on the steps of the city hall and after a brief speech, presented the secretary with the keys.

The day was officially designated as "Dwight F. Davis Day," the occasion being the new secretary's first public appearance since he became a member of the Coolidge cabinet.

Auditor Conceives Idea for Wilson University

By Charles P. Stewart
NEA Service Writer

Washington.—Why shouldn't an internal revenue bureau auditor conceive the idea of a $5,500,000 Woodrow Wilson Memorial University? Why, having thought of it, shouldn't he go to work to raise the money and found the university? There doesn't seem to be any reason why not, except that raising $5,500,000 is rather a large order for a not particularly prominent and only moderately paid government employe.

Yet the fact that such an individual—R. Moulton Pettey—is said to have been the original prompter and certainly is now the president of the Woodrow Wilson Memorial Association, appears to be the only basis for a lot of none too friendly publicity the organization is receiving on the eve of its proposed countrywide drive for funds to endow an institution of learning near the capitol in the war president's honor.

Nobody says a word, out and out, against Pettey. All they do say is that he's just a special auditor for the internal revenue bureau—and here he is trying to raise $5,500,000. Having said that, they appear to think they've made out a strong case. But have they? Ask Pettey if the story is true, and his answer is, "certainly. What of it? Does a man have to be a notability to entitle him to work for a Woodrow Wilson memorial?" Laugh that off.

Pettey isn't widely known and does not profess to be, but some of his association's executive committee members are. They include Secretary of the Navy Wilbur, Maj. Gen. Hines, Mayor Walker of New York, 16 governors and half as many senators. The drive starts Dec. 7. I can't see anything the matter with the enterprise unless somebody has something better to urge against it than that R. Moulton Pettey is a treasury department auditor.

The Rev. W. H. Yount, pastor of the Methodist Church at Barnard, spent today in Maryville with Dr. C. C. James, pastor of the First Methodist Church. He was a guest also at the chicken dinner served at the church at noon.

Robert Palmer, Alias Ten Aliases Is Held

Kansas City, Nov. 19.—Federal authorities were holding for arraignment today a man with ten aliases, brought here from Detroit, Nov. 11, where he had been arrested under the name of Robert Palmer, on an indictment charging impersonation of a federal officer and defrauding a St. Joseph national bank. He had been sought from coast to coast, federal officers said, in connection with charges of defrauding national banks.

Asks Exoneration of Accused Navy Captain

Counsel for Captain Paul Foley Urges Court to Remove Stigma Cast by Mrs. Lansdowne's Testimony.

Washington, Nov. 19.—The Shenandoah court of inquiry was asked today to exonerate Capt. Paul Foley, its former judge-advocate, on charges he attempted to influence the testimony of Mrs. Margaret Lansdowne, widow of the commander of the Shenandoah.

A formal motion to relieve Foley of the stigmas of the widow's accusations was offered to the court by Col. Easbey Smith, counsel for the naval officer. A decision on the motion was promised tomorrow by Rear Admiral Hilary P. Jones, president of the court.

Hunters Must Let State Officers Count Game

County Prosecuting Attorneys Have the Right to Cause Arrest of All Who Resist Inspection.

Jefferson City, Nov. 19.—Hunters who refuse to permit deputies of the game and fish department to inspect and count their game will be arrested, according to instructions today by Keith McCanse, state game and fish commissioner.

The announcement of the commissioner followed a ruling by the attorney-general authorizing the prosecuting attorney of Benton County to file against parties reported to have refused to permit deputies to count quail in their possession.

The move is a part of a drive being made by the department against illegal hunting.

To Investigate Fires on Four Clyde Liners

Officials Hint at Incendiary Origin of Blazes Which Cause Destruction of Coast Ships.

Washington, Nov. 19.—An investigation to determine whether the fire that destroyed the Clyde liner Lenape off Lewes, Del. was of incendiary origin was launched today by the steamboat inspection service of the department of commerce.

Officials here regarded the destruction of four Clyde liners by fire warranted a thorough investigation.

Sedalia Man Seeks Supreme Judgeship

Jefferson City, Nov. 19.—Former state Senator Mark McGruder of Sedalia today announced his candidacy for the Democratic nomination for judge of the supreme court. McGruder was the Democratic floor leader in the Senate in 1919 and was a candidate for the Democratic nomination for attorney-general in 1920.

H. S. TEAM TO CHILLICOTHE

FIFTEEN MEN AND TWO COACHES LEAVE TOMORROW.

TO PLAY THANKSGIVING

Definitely Decided To Meet Excelsior Springs Here At 10 o'Clock Turkey Day.

Fifteen members of the Maryville High School football team and two coaches, "Red" Graham and "Bill" Herbert, will leave at 10:52 o'clock tomorrow morning for Chillicothe where they will meet the C. H. S. Hornets tomorrow afternoon.

Just how well the Spoofhound will fare when he smells at the Hornets' nest is now known. The Chillicothe boys have had a victorious season, the only blight being a 6-0 defeat at the hands of Cameron at Cameron.

Among those teams to fall before the Hornets is the strong Excelsior Springs aggregation.

The Chillicothe team is coached by Sam Ransdall, former classmate at Central College of L. E. Ziegler, superintendent of schools at Maryville.

The game will be played on the new Chillicothe gridiron, and will start about 2:45 o'clock.

The Spoofhounds will return to Maryville at 5 o'clock Saturday morning.

The starting Maryville line-up according to Coach Herbert, will be: King, le; Howard, lt; New, lg; Curfman, c; Nichols, rg; Hall, rt; Alsup, re; Smith, qb; Cockayne, rh; Strong, lh; Bratcher, fb. Other men who will make the trip are Kissinger, Caudell, Porter and Godsey.

The Democrat-Forum and Tribune will receive reports on the game at the end of the first, second, and fourth quarters.

It was definitely decided this morning that the High School will play Excelsior Springs here on Thanksgiving morning, the game to begin at 10 o'clock. The sale of tickets for this game will start Monday morning.

It was previously announced that this game would be cancelled on account of lack of funds, but high school authorities are going to make an effort to finance the game by an advanced ticket sale.

Mr. and Mrs. Charles F. Remus and Mr. and Mrs. Roy Curfman drove to St. Joseph this afternoon. Messers Remus and Curfman will attend the fall ceremonial of the Shrine to be held this evening.

Tolles Team Wins Off Graham in 25-11 Game

Ellis and Ogden Scoring Luminaries, With French Working Well at Center Position.

The Tolles Clothing Co., basketball team won from Graham last night at Maitland, 25 to 11. With Ellis and Ogden scoring heavily for the victors, the outcome of the game was never in doubt. These former Maryville High School stars were both "right" last night, and were ringing the wicker from all angles.

French, at center, had no difficulty getting the jump on his man, and this enabled the Maryville offense to get off well on almost every play.

The game was played in quarters, and D. Marion refereed. The score:

Tolles (25)	G	FT	F
Jamison, f	0	0	1
Ogden, f	4	0	0
French, c	3	0	2

NOVEMBER WINDS

March has always been looked on as an ornery month, chock full of trick weather, each day crammed full of cold, pneumonia and sore throat germs. And a lot of us overlook November! Just because November opens the Turkey season with its Thanksgiving Day is no reason why it should get stuck-up and haughty! You just take a weather chart and look over the leaps and bounds and flip-flops the thermometer and the barometer has a habit of taking during November. It'll surprise you a lot. So! With no desire to hang any crepe, we raise the hand of caution and gravely ask you to let your eye rest and your mind focus on the following list of preventatives and comforts printed below. I thank you for your attention thus far.

Protecting Creams!
You either OWN a motor or WILL own one, and if so, you are bound to RIDE in it. If you're a woman, you realize that TOO much damp cold air is liable to make your skin ruff like a cow's tongue. A dab or so of Cream before that ride PREVENTS this contretemps.

Well, Say You Did Take That Ride
And when you got home found it hurt your face to grin—sorta cracked in spots? You're all right, and don't worry, but your face is CHAPPED. All that's necessary is to gallop in here and we will give you a Lotion, which will make your face easy to smile with and at.

The World Do Move!
Hundreds of years ago folks died, hundreds of them, from overeating. One day some wise man, noting how eloquent and ponderous a hog's appetite was, got busy and examined a hog's stomach and discovered what later developed into HOG PEPSIN. This allows you to make of the Thanksgiving dinner a most noble gesture! Eat your head off and allow H. Pepsin to do all the work of HANDLING it. Great, eh?

Loose Pores!
They cause oily skin when they don't cause blackheads. Both are mean things to combat and can't be cured at one sitting, but a few weeks' use of a good astringent cream will do the trick and make yourself easier to look at in the mirror.

More Science!
First, man discovered herbs that cured human ills, then Germs that caused them; then he took MORE herbs to kill MORE germs; then he found IODINE, which was sudden death to ANY germ. Then he mixed this into a toothpaste, made of it a polisher, made it palatable while retaining its mean nature where germs were concerned. This Toothpaste is called IODENT and we have it, sell it and recommend it.

Everyone Has a Sure Cure!
Try this some time. Get a good, heavy cold on your lungs; leave the house with a rag around your throat and visit 9 friends. Coff for them, hack a little and sniff forlornly. Each of the 9 will give you a prescription which EACH claims will, if taken, CURE your cold OVERNIGHT! So we'll give you OUR sure cure OUR advice is to go to your doctor, get HIS advice and prescription and THEN let US FILL it for you!

Your Druggist.

Gaugh and Evans.

Why Women Use This This Simple Mixture

Gas pressure in the abdomen causes a restless, nervous feeling and prevents sleep. Simple buckthorn bark, magnesium sulph, c. p., glycerine, etc., as mixed in Adlerika, helps any case gas on stomach, unless due to deep-seated causes. Because Adlerika is such an excellent intestinal evacuant it is wonderful for constipation—it often works in one hour and never gripes. Koch Pharmacy, Maryville. In Pickering, A. F. Former Hopkins Man Loses Life in Idaho

Body Of Earl M. Esmay Is Brought Home and Funeral Held There Tuesday.

Funeral services were held near Hopkins Tuesday for Earl M. Esmay, a former resident of Nodaway County and brother of Mrs. Ed Northover, near Hopkins.

He lost his life on November 13, near Wallace, Idaho, where he had worked for two years in a smelter. According to the Hopkins Journal, he apparently lost his footing after removing the lagging from the top of a slide and fell 100 feet.

The company paid all expenses in sending the body to Hopkins and telegraphed that besides $700 insurance, Mr. Esmay had wages yet due him. Mr. Northover expects to leave this week for Wallace to investigate the death of his brother-in-law.

Mr. Esmay was born at Sabula, Iowa, fifty years ago and come with his parents to near Hopkins some 35 years ago, where he remained until 25 years ago when he went west. His parents moved to near Perkins, Okla., about the same time, where his father died some nine years ago. The son went to Perkins and cared for his mother until her death some three years ago when he again went west. The only near relative living is the sister, mentioned above.

Heirs of Henry Reed Ask for Partition

Part of the heirs of the late Henry Reed have filed a suit in Circuit Court asking for the sale of fifteen acres of land owned by him near Pickering. The property is described as the west three-fourths of the north one-half of the southwest quarter of the southeast quarter of section 3, township 65, range 35.

Reed died in 1885 and his widow died this year. The suit is brought by Clarence B. Reed, Florence Moon, William A. Reed and James A. Reed, each of whom claims to be entitled to a one-ninth share of the estate and by Frankie Miller and Grant Stingley, who are said to be entitled to one sixty-third each.

The defendants are Lottie Dunn, Edward Stingley, Anna Kessler and Thomas Stingley, each entitled to 1-63rd, Paul Stingley and Clare Stingley, entitled to 1-126th, and Amanda Gray, Thomas Reed, Alice Coleman and Matie Reed, or their unknown heirs. The last four are entitled to one-ninth share in the proceeds.

GOITRE VANISHES

St. Louis County Banker Saved an Operation by a Home Treatment

Note: It would be illegal to publish these statements if not true.

W. J. Vance, Banker, Valley Park, Mo., says: "Two days before using Sorbol-Quadruple, I had a bad hemorrhage in my throat caused by tightening which produced severe coughing. Twenty-four hours from first application of Sorbol-Quadruple I felt relief, and in forty-eight hours noticed it was reducing. In three weeks, one side has vanished and the relief is beyond expression. You make use of this and I will gladly answer all questions."

ALL OUT OF SORTS?

So Was This Maryville Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Maryville case is one of many.

Mrs. N. M. Feuquay, 314 S. Vine St., says: "I was troubled with a bearing down pain through the small of my back which kept up most of the time. My rest was broken and when I got up mornings, I was always tired out. When I stooped, sharp pains darted across my kidneys. Two boxes of Doan's Pills from Gaugh & Evans' Drug Store cured me and I haven't been bothered since."

Vigor Producing Elixor Brings Glorious Health and Radiant Vitality to Weak, Exhausted People

Men and Women, Weak and Nervous, Need the Help of This Great Restorative That Koch's Pharmacy Is Glad To Offer On Money Back Plan.

Here is a medicine that is taking the country by storm—thousands of bottles are sold daily.

Thousands of once worn out, run down human machines now know the happiness the bouyant exhilarating health brings.

Dare's Mentha Pepsin is first of all a powerful digestive. It starts at the root of most human misery—the stomach.

It builds up and makes strong the digestive organs so that every particle of food you eat is properly and thoroughly digested and assimilated into the blood stream, furnishing nourishment that produces vigorous health.

Without proper digestion good health is impossible. Foul gases accumulate and toxins poison the blood.

Always remember that nine times in ten ailments that continually bother you and make you feel depressed and unfit are caused by the stomach not functioning properly.

So now all men and women who are weakened by disease or overwork, who are nervous and irritable, can put their faith in this tonic medicine that is pleasant to take and agreeable to the stomach.

People who have sallow skin, are mentally depressed and can't get restful sleep at night are advised to try this sterling up building elixir.

Bear in mind that you can prove the goodness of Dare's Mentha Pepsin by trying just one bottle and if it doesn't help you more than any medicine you have ever tried Koch's Pharmacy or any druggist will gladly return your money without quibbling.

So why not for your health's sake, get a bottle today? It is probably just what you need to help you get well and strong again.—Advertisement.

Closing Grain Review.

Chicago, Nov. 19.—Wheat jumped into new records on the movement in today's session on the Board of Trade. Final profit-selling caused slight recession. Coarse grains were higher.

Brisk buying in wheat was inspired by crop complaints from Argentine and inquiries for sizable lines from the continent. Bull factors easily offset lower cables.

Corn had its own factors to contend with. Commission houses bought on breaks that followed receipt of favorable crop news.

Oats made small fractional gains.

Provisions made moderate gains on a neglected market.

Null Enjoying Work at American Royal

Fay Woodson Null, who is one of the twenty-one nominated by the National Stock Breeders' Association to show the baby beef demonstration herd which the Sears-Roebuck Foundation is exhibiting at the American Royal livestock show in Kansas City this week, is enjoying his work there.

The purpose of the demonstration is to show that it is possible with an ordinary cow and a pure bred bull to produce a calf that will weigh one thousands pounds within one year if it is fed on grain while still nursing.

CAGE TOURNEY ON TOMORROW

FIFTEEN H. S. TEAMS TO PLAY FOR DISTRICT TITLE.

NEED 10 CARS TONIGHT

Tomorrow the high school basketball tournament starts at the State Teachers College gymnasium. Everything is in readiness for the play, and the majority of the fifteen teams will arrive on the Burlington and Wabash trains tonight.

The drawing for places in the first round will take place at 9 o'clock in the morning at the gymnasium. There will be but one class in the tournament and the places will be determined by drawing numbers from a hat.

Play in the first round will start as soon as the first teams to play have had time to dress after the drawing. As there are fifteen teams in the tournament, there will be one bye given in the first round.

The finals of the tournament will be played Saturday night. Officials of the tournament will choose an all-star mythical Northwest Missouri team, which will be announced in Monday's Democrat-Forum and Tribune.

Dick Strong, chairman of the transportation committee of the Chamber of Commerce, will be in charge of taking the members of the basketball teams arriving tonight to their rooms. He requests that eight or ten automobile owners be at the evening Burlington and Wabash trains with their cars in order to take care of the high school students who will compete in the tournament here tomorrow and Saturday.

The first team to arrive for the tournament was Hardin, which came at noon today. Train schedules made it necessary for the Ray County team to come either at noon today or noon tomorrow.

When Your Car Has

Firestone

Gum-Dipped Cords

The exclusive Gum-Dipping process has made Firestone tires famous the world over. They are noted for their great strength, long life and ability to meet any gruelling test.

Firestone Gum-Dipping impregnates every strand of cord in the tire with tough, lively rubber. This protects them from the heat of internal friction and the rotting from moisture. Famous race drivers use them exclusively because they know they can depend upon them where others fail.
